

CORNER ROUNDING MACHINE CCR 40

The heavy duty desktop corner rounder CCR 40 is designed to provide multi-punching capabilities through a variety of interchangeable cutting tools. The corner rounder turns ordinary square cornered document into striking, professional looking documents with smooth round corners. Ideal for business cards, playing cards, brochures and more. Cuts light-weight metal, PVC, card stock, polyester, leather etc. It comes equipped with one standard cutting unit of your choice (radius 4,6,9,12,18 and straight knife 28 mm).
